EXPERIENCE

TD Lab • UX/UI design intern

Jan. – Apr. 2020, Kitchener ON

Designed a money management app in Figma, Sketch and Zeplin by conducting user testing, developing a unique design system.

Betalab • Product designer

Feb. 2020 – present, Kingston ON

Currently designing an app for heart disease patients to promote and facilitate recovery after cardiac emergencies.

PROJECTS

E-commerce app

Feb. 2020 – present

Designing a web feature to take a user's body measurements and automatically pick ideal clothing sizes, personalizing the experience.

UWaterloo Portal Application Redesign

Sep. 2019

Redesigned UWaterloo's student portal app by interviewing 10 student users and creating mock-ups with Figma.
